

# Chieko Kojima Talk & Live "Beni no Kotobuki"

*Chieko Kojima's history as a performer spans 37 years to date, from when she first came to Sado Island to join "Sado no Kuni Ondekoza" and all throughout Kodo's history. This December we will hold a special talk and live performance so that Chieko can share some of the tales of her own unique journey.*

"Sado Island is like a Shangri-La of sorts, and after years of working away diligently here, when I stop to think about it I realize that just how many years have gone by! I am not ready to give away all my secrets yet, but I do feel the time is right to stop and tell some of my stories to date. I am planning to make the occasion a fun performance with some special guests. I want to show my heartfelt appreciation to everyone who has cheered me on until now. It is thanks to you all that I am always in my prime. I really look forward to seeing you all there."
